

WOOD - contd.Finishes - contd.

Marketing requested the plant to improve the gloss on RK-W finished Stocks and Fore Ends. The plant indicated the equipment to reduce hand sanding due in February should provide improvement. Also, the amount of flattening base now used would be reviewed. The plant is faced with the problem of maintaining a balance between surface finish and gloss.

OPERATIONS COMMITTEE MEETING SCHEDULE

The schedule of meeting dates for Ammunition and Arms Operations Committee Meetings was submitted at the December Ammunition Meeting for review. The date of the April Arms Meeting will be changed to April 20. The schedule will be issued. 83

The schedule provides for an R & D long range program review at the September meeting. R & D proposes in addition to the regular agenda to make a program review at the January 1967 Arms Meeting. This is in regard to items for 1968 introduction.

The meeting adjourned at 3:30 p.m. The next meeting is scheduled to be at Ilion Thursday, January 12, 1967 at 10:00 a.m.
