-8-

Sycamore wood blanks to produce Model 788 sample Stocks are being kiln dried. The blanks are promised by the vendor in October. Stocks for review by Marketing should be available in November.

Committee Action:

The plant is to complete the 44 Rem. Mag. pilot rifles to prove the design and increase the 30-30 caliber production.

RIM FIRE RIFLES

BOLT ACTION MAGAZINE BOX RIFLE MODEL 581, 22 CAL.

Economics for the left hand Bolt Model 581 rifle will be available -198 -1975-1976 -1975for review at the September meeting.

Marketing requested a ten (10) shot Magazine Box. A part sales ten (10) shot Magazine Box has been standard for the Model 511. Marketing estimates sales of three thousand (3000) in the third year and five thousand (5000) in the fifth year. The retail price is \$310 which is the same as the Model 511 Magazine Box.

A high spot estimate by R & D of a Delrin* Magazine Box indicated expenditures of \$16,000 for development, equipment and tooling. A product cost of \$.42 each as compared with the Model 511 metal box of \$.66 is indicated.

Committee Action:

A prototype Delrin* ten (10) shot Magazine Box is to be fabricated for review with Marketing.

Firm costs are to be established and economics developed.
