

TRAPS - contd.HANSEN TRAP - contd.

A review of Hansen's redesign will be made before further negotiations with Olin for a license to use their patented features. It was suggested that Olin be brought up to date on this work.

NORMA TRAP

R & D reported that replacement parts would need considerable revision to complete the assembly. We are stopping work on this unless otherwise instructed.

Marketing reported that work with this trap may be stopped.

PASELLI TRAP

There was nothing to report. This item will be dropped until there is something to report.
