

The development of warnings for firearms is in progress and will be reviewed at the next meeting.

SAAMI - NSSF Safety Advertising

The proposal to add 4 safety warnings as shown in Exhibit "C", to the current SAAMI booklet was reviewed. The Committee endorsed the addition of the 4 items.

M/870 Competition Trap Shotgun - Safety Audit

Ilion Research conducted a safety audit on the M/870 Competition Trap Shotgun and the results are attached as Exhibits "D" and "E". The gun was disassembled for the Committee and examples of some of the improper assembly conditions were demonstrated. No potential hazards were found and the report was accepted by the Committee. This acceptance procedure will be undertaken for all new firearms.
