We trust that we have clarified the circumstances that could possibly have caused the accidental firing and, even though there is nothing wrong with the present trigger assembly, we can, as a gesture of good-will replace it with a new one that will allow opening and closing the bolt while the safety is in the "safe" position, at no-charge, to insure that your customer's faith in the rifle is restored, or, the rifle can be returned to you in the same condition as received. We will await the decision and reply.

Thank you for having afforded us this opportunity to examine the rifle and to be of service.

Sincerely,

J.A. Stakl, Supervisor
