Sirs;

I have in my posession a Mowhawk 600 serial#6745607 that I have been told is on a recall campaign due to a defective trigger?? Its never been a good triger so if you want it back I'll send it or send me a new one and I will switch and send you the old one back promptly.

thank you, Έs Ron Oates 170 Upper Flower Cr.rd. Libby, Mt. 59923
