Dear MR. Fletcher:

I have received your letter, with signed release form and F.F.L. copy. However, we do have a problem in supplying the two rifles that you specified, since the Model 700 Mountain rifle is not produced in the 338 Win. Mag and 375 H&H Mag. calibers.

Please, at your earliest convenience, call me so we can resolve this matter.

Thank you for your continued patience.

Sincerely,

A handwritten signature in black ink, appearing to read "J. A. Stekl". The signature is fluid and cursive, with a large initial "J" and a stylized "A".
