Dear Mr. Stekal:

I have reviewed your letter to Gun Rack, Inc., dated November 23, 1988 wherein you described the method and result of examination conducted by your company on the above rifle, which I own.

For the purpose of restoring my confidence in this rifle, I accept your offer to install a new trigger assembly at no-charge me.

I appreciate very much the consideration Remington has shown me in connection with the problem that I have had with this rifle.

Very truly yours,

  
Thomas C. Evans, III
