Since we found the firearm to be completely correct and to function normally in every respect, we are prepared to return it to you in its present condition. However, if our customer desires, we will install a new trigger assembly at no-charge, as a gesture of good-will, if it will restore confidence in the rifle. We will await the decision and reply.

Thank you for affording us the opportunity to examine the rifle and report our findings.

Sincerely,

MR. STEKL:

I spoke with the owner of the rifle  
AND they said just to return it to us AS  
is. No further repair is ~~the~~ necessary. Thank you  
very much for your assistance.
