Attn: Tom Kugel

Dear Tom

Enclosed is model 700LH ser #
6858879 rifle for inspection/repair.

The products I use to clean-
like the rifle are:

Hoppe's Lubricating Oil

G-96 Gun Treatment

Hoppe's Bench Rest & Copper Solvent

Birchwood Casey Gun Stock Wax

Outers Silicone Gun & Recoil Cloth

The accidental discharge of the rifle
happened occurred as follows:

Four rounds were in rifle; 3 in
magazine, 1 in chamber. I unloaded magazine
3 rounds and put springs cover back, then
to unload chamber I switched to safety
to fire position, & began to move bolt
when rifle fired. Trigger was never
touched!

Hope this information helps!
