Mr. Tom Nagel
Remington Arms Company Inc.
Product Service
14 Hoefler Avenue
Ilion, NY 13357

Dear Tom:

As we discussed, enclosed is our Remington Model 700 for your examination. As you will recall, we are sending you this rifle in response to the CBS "60 Minutes" indicating there may be a potential for misfire when the safety is switched from "On" to "Off."

Tom, thanks for your prompt response, and for helping us out on this.

Sincerely,

Sam Rand
