Dear Sir:

I have been The proud owner of Remington Rifles and Shot Guns for over 40 years. As luck would have it This 30.06 Is my favorite Rifle. This problem That I'm sending the rifle back To you for, has happened on another occasion and has basically made me afraid of Rifle and co hunters apprehensive about being in my company. Its an accident waiting to happen and I'm in favor of an upgraded Replacemet for rifle (bolt Action) and I will pay you The difference if possible. I sent The rifle back To you for same problem about 1985. Please consider my suggestion and make me continue To have The faith and make me remain one of Remington's most bragging OWNERS.

Thank You
Willie Robinson FAX
