Mr. Jack L. Kast Remington Arms Co., Inc. Product Service Illion, NY 13357

Dear Mr. Kast:

I apologize for the delay in shipping, but I was called out of town and my wife had no idea how to package the rifle. As I indicated in our earlier telephone conversation, my problem lies in the fact that the weapon discharged when the safety lever was moved from the safe position to the fire position. As you know, this must be done in order to unload this Model 700.

Should you have any further questions, don't hesitate to call.Thank you for your kind attention in this matter. I look forward to hearing from you in the near future. With kindest personal regards, I remain

Sincerely,

TIM SCREEN
