

We trust that we have clarified the circumstances that could possibly have caused the accidental firing. The firearm can be returned as received, or if you do desire, and as a gesture of goodwill, even though there is nothing wrong with your present trigger assembly, we can replace it with another assembly at no charge. We will await your decision and reply.

When replying, please refer to this letter and repair order R-12970-700 for identification.

Cordially,
