

2. Be sure to return the complete rifle or complete barreled action, including the rifle bolt.
3. Include your name and return address on the outside of the package and on a note placed inside the box. Again, please remember to clearly label the outside package with DEPT. SST.

Should you need a box for shipping please call our 800 number and a shipping box will be provided.

Again, only a limited number of Model 700 Stainless Steel rifles are potentially affected. No other Remington gun models are involved.

Thank you for your cooperation in quickly resolving this important concern.

Sincerely,
