TO: Remington Arms Co. inc

THIS FIREARM WAS BOUGHT NEW & IVE OWNED IT ABOUT 6 OR 7 YEARS THIS YEAR WHEN I WAS HUNTING I HAD 4 SHOTS IN THE GUN I FIRED ONE & KICK THAT SHOT OUT. WHEN I PUT THE OTHER SHOT IN AND CLOSED THE BOLT IT FIRED, SO I REPEATED IT AGAIN AND IT FIRED AGAIN. IVE USED RELOADED AMMO & FACTORY AMMO, BOTH WILL CAUSE THE GUN TO FIRE AUTO. WHAT EVER THE OUTCOME I WOULD LIKE A LETTER OF EXPLANATION. ANY QUESTIONS PLEASE CALL.

Thank you

Roger E. Warner
