

Since we found the firearm to function properly in every respect, we are prepared to return it in its present condition. However, if our customer desires, we will install a new trigger assembly at no charge, as a gesture of good-will, if it will restore his confidence in the rifle. We will await the decision and reply.

Thank you for affording us the opportunity to examine the rifle and report our findings.

Sincerely,

J.A. Stekl, Specialist
Product Service
