#### Discussion Thread

#### Customer (Cathy Buchanan)

My husband works offshore, and will not be back until 12-30-2010. However, I do have a list of all of his guns, and the gun he refers to is described on the list as follows:

Remington 7 mm Magnum Rifle -- Model 700 Serial # 6663149

Our address is as follows:

**Buck Buchanan** 

43 Dan Tripplett Rd Woodworth, LA 71485

Phone #: 318-619-7725

Thank you so much for your assistance. I will not be able to complete the form or mail the gun on his behalf. That will have to wait until he returns, but having the form and the mailing lable here will greatly expedite the resolution of this problem. Please advise if additional info is needed.

Dear Mr. Buchanan,

If you are in the U.S. - We would like to have the firearm come into our Product Services Department at our factory for examination. Please reply back to me with the serial number of the firearm, caliber, your mailing address and phone number. We would like to send you a pre-paid shipping label for UPS to have the firearm come in. I will also include a form that you can fill out to let the examiner know exactly what happened, when this occurred, and what you are expecting.

Sincerely, Dell

To whom it may concern,

I have inherited a Model 700 7mm Magnum and its about 40 years old. I have reviewed several articles that detail a potential defect that causes this gun to fire without the trigger being pulled. This particular gun has, in fact, already fired without the trigger having been pulled, as described by my mother. I took this gun to a gunsmith and he said that I should contact ya'll to see about getting the new trigger upgrade installed. Can you give me some information on this as such as the process for it to be repaired by your company, where I need to send it, etc. Any help would be appreciated.

Thanks. **Buck Buchanan**

Dear Mr. Buchanan,

You will receive a pre-paid shipping label in a separate email within 24-48 hours. Please include a copy of this letter to put inside the shipping container. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the box with "Product Service". Product Service will be inspecting the firearm and will contact me with the results.

I hope that this action will keep you a loyal Remington customer.
