Subject: #5036, Model 700

Dear Mr. Walden,

TP - 2,25 165

Per our phone conversation, you should receive an email with your prepaid shipping label for shipment of the firearm to our factory within the next 24-48 business hours. Please include a copy of this letter with the firearm. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Please mark the ends of the box with "Product Service".

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.

Sincerely,

Christy Mitchell **Consumer Affairs Administrator** Phone: 800-243-9700, ext 8684 christy.mitchell@remington.com
