

Subject:**Bolt Action Centerfire Update Notice****Bolt Lock Update Program : DECLINE OF REPAIR**

Date: _____

Dear _____

We have received the following firearm _____
Serial number: _____.

We have examined the firearm and determined that the Fire Control Mechanism (Trigger Assembly) is in need of repair or replacement. In its current condition the rifle can not be operated in a safe manner and should not be used. As such, we have recommended to you via repair #: _____ a recommended course of repair. The total dollar cost of your repair was quoted to you at \$_____.

You have decided not to have us repair the firearm but have requested it be returned to you in its current state. We will return the firearm provided that you sign this document verifying that:

- You were presented with an opportunity to have the firearm repaired.
- You understand that the firearm is currently not in a safe condition.
- You know that the firearm should not be used until the trigger assembly is properly repaired or replaced by a Remington Authorized Repair Center or by Remington Arms Company, Inc.
