

12. Make slings available for shotguns -  
duck hunters, etc.

13. Sets of barrels for shotguns.

The Model 552 Buckskin Tan and Crow Wing  
Black and the Model 555 in Molded Zytel  
Nylon are not a part of this study since  
work is already in progress for introduction  
at the beginning of 1959.

3. SALES AND MANAGEMENT POLICY STUDIES  
TO IMPROVE SALES AND REDUCE COSTS

Review and establish a study program based upon  
improvement suggestions submitted as outlined  
under Exhibit E pages 1 to 21.

4. LONG RANGE GUN DESIGN

Continue the long range design program for a  
new family line of guns for simplicity, common  
parts and low cost manufacture.
