**MODEL 700 - Additional Calibers
Caliber 225 w/m.**

We believe that you have now agreed to expedite work on the 22-210 job instead of trying to add this new 1/2 inchester round to the M/700. Walter described having discussed with you last week. We also sent you copy of memo regarding 22-210 Caliber as regards to Models 700 and 600.
