Dear Mr. Zdilar:

Since Mr. Walker retired from Remington in January of this year, your letter was forwarded to me for reply.

We are very happy to hear of your satisfaction with the Model 700 Remington rifles that you have purchased. I am sorry to have to report that Remington does not have any plans to offer the Model 700 in 6mm Rem. caliber in a left-hand version in the near future.

Thank you for your interest in Remington products.

Sincerely,

J. A. Stekl
