Dear Mr. Smart:

Enclosed are the procedure instructions for assembling the Sling Strap and cleaning the bolt assembly. These are to be incorporated in the Model 700 Owner's Manual in place of those on the proposed draft. Also forwarded are the requested photos required for finalizing the manual.

The proposed dictionary listing is being reviewed. A future meeting will be scheduled for comments and to discuss required changes.

If additional information or assistance is required, please call.

Very truly yours,

R. L. Sassone, Supervisor  
Project Control and Technical Services
