

15. How should we advertise the rifle you tested?
If this rifle is introduced, I would advertise it very
highly in the 4-H and Future Farmer magazines. I would get
to the beginning shooter and hunter.
16. What does the word "carbine" mean to you?
I feel that a carbine is a fast swinging, light weight
short barrel rifle, one that can be carried for a great
length of time through the brush.
17. Assuming the new gun was introduced in 1980 in .222, .22-250,
.243, 6mm, .308 and 7mm-08 at a retail price \$20 below the
M/700 ADL, what impact would it have on other Remington center
fire rifles?

None
