

DON'T SAY IT-WRITE IT

File # M/703
To John Linder
From Phil Johnson

Date 6-9-81

This is to confirm that on June 1, and 2, we magnafluxed 12 M/700 17 cal. stainless barrels, then fired 10 proof rounds through each, and then remagnafluxed. Since no cracks were found in any of the barrels they were returned to Jack Carter.
