DON'T SAY IT—WRITE IT XC: J. P. Linde

To J. W. Brooks, C. E. Ritchie

From G. J. Hill *GJH*

Date 3/17/82

File M700 Barrel Lock

M/700 GUNS RETURNED TO PRODUCTION FROM RESEARCH

Please route all returned M/700 from Research to plant thru
G. J. Hill.

REASON:

Most guns in Research test lab have the "Bolt Lock" on safety
and guns currently produced to warehouse are new - without bolt
lock on safety. This will prevent any problem if routed thru
P E & C.
