SUBJECT: 1978 - 1981 TOTAL COMPANY ACTUAL SHIPMENT
HISTORY FOR FIREARMS

Enclosed is a line item Firearm History of actual shipments. The information is provided for Domestic, International and Total Company shipments (Domestic and International combined).

The format provided is by family showing subgroups within each family. A further break divides the models into Automatic, Pump and Bolt Action firearms.

The original source of this history is the "Marketing Stock and Order" for 1978 through 1981.

Inventory and Forecast Department will be updating this report annually. Please let I&F know if you do not wish to be listed for distribution of this report and/or if you wish to add additional names.
