X C. - John W. make
Bill Coleman

Appears a major problem is
scheduling; what they should be working
on?

To: K. W. Soucy

An on going function of our group is to cost reduce our product without sacrificing quality. Activity this month includes;

- Identifying area where common operations can be used. i.e: common M/700 ADL & BDL carved stock and common floor and tip mounting technique (M/700M.R.)

**** Investigate effectiveness of machine sanding M/700 stocks on the Zuckermann carver.
