Subject: 710 Heat Treat

I have submitted req no 1000102977 for \$ 7200 charged to 8230150 - 241095 to heat treat sample M/710 barrels

The vendor is Welduction (www.welduction.com).

I will ship the samples to them, next day air, today When they receive the samples I will have a better idea of delivery of heat treated parts Currently they are quoting 6 weeks I have informed them that is unacceptable - we'll see.

I'll keep you updated as we progress

Glen
