Inspect 25 SPL 40X Rear Spacer Blocks (P/N 301444) per the highlighted dimensions on the attached drawing. Place a unique permanent identification mark (e.g. 1, 2, 3, etc.) on each part in the location indicated on the marked up drawing. For the dimensions highlighted in yellow, provide explicit measurements. The dimensions highlighted in purple (the part profile) can either be measured explicitly or checked with a comparator screen to evaluate the profile tolerance on a GO/NO GO basis.

Provide the final measurement data in an Excel spreadsheet.
