Dear Mr. Leisering,  
we apologize for the inconvenience. Each repair center has the right to  
choose what type of work they will perform. Below we have listed another  
Remington Authorized Repair Center that can assist you. You can send your  
firearm to them or send it to the factory for the safety modification  
Program. Thank you for taking advantage of this program and we appreciate  
your support and patience.

MCBRIDES HERE IN AUSTIN STILL DOES NOT PARTICAPATE IN THE SAFETY  
MODIFICATION PROGRAM. JOE MCBRIDE SAYS HE CANNOT ACCEPT THE LIABILITY OF  
DOING THESE KIND OF MODIFICATIONS. IS THERE ANYBODY ELSE IN CENTRAL TEXAS  
THAT WOULD BE ABLE TO DO THIS FOR ME.  
THANKS IN ADVANCE, JOHN LEISERING
