Dear Trent,

we would need to know the caliber that your firearm is chambered for to properly answer your inquiry. We also want to make you aware of a Safety Modification program that we are offering on these and other bolt action rifles. You can read more information regarding this program through the front page of our website or through the link below:

[http://www.remington.com/Safety\\_Modification\\_Program/600\\_660.htm](http://www.remington.com/Safety_Modification_Program/600_660.htm)
