Dear John,

Thank you for your inquiry. There is not a recall on the model 700, however we are offering a "bolt lock modification program". For more information regarding this please call us at 800-243-9700 and we will be happy to assist you with any questions that you may have.

I own an 700adl I understand they are being recalled for possible discharge while removing the safety. I purchased my gun in 1970. the serial #6242667. Please inform me if there is a recall.
