Dear Mr. Doyle:

Thank you for your inquiry. The ADL models have a blind magazine. The BDL models have a dropped floor plate or a detachable magazine.

According to the information you provided your firearm was produced in or about 1980. We are currently offering a safety modification on our pre 1982 Model 700. Please click below for detailed information:

I just purchased a :

Model 700

.243 WIN

Serial Number B6268549

I am interested in knowing when it was manufactured and what style (BDL, ADL,C?)

Thanks, I look forward to hearing from you.
