

Hey Tim,

Can you handle this inventory transfer (movement) from OHL to Ilion? That way, we can get this gun to you soon and out to Mr. Gilleland. Please let us know.

Thanks,

Wouldn't that be handled as some kind of inter-company transfer? From OHL to Custom Shop?

Hey Annette,

Pls see Bonnie's e-mail below re: order 699146...I just spoke w/Bonnie and it looks like it be awhile before there is more production of 26333 (October, I believe) so if we could somehow have the 1 gun that is in blocked status at OHL shipped from OHL to Tim in Ilion so that he could install the 40-X adjustable target trigger, that would be great. Will that work? Please advise.
