

- I am ordering the Model 870 Classic Trap. Your website says it has gold inlay but I don't see any in the picture. Does it? I need to know before I order the gun.
- I bought some Stren fishing line and it just keeps knotting up on me. Do you have a warranty on this?
- I just bought a new safe and I can't get it open. What do I need to do?
- Is your company privately or publicly held? Who do I talk to about a financial report?
- I bought some 270 rounds and took them on my last hunt. I had four shells out of the box fail and lost a trophy. This ruined my trip. I paid \$4,000 for this trip and I want you to do something about it.
- What is the rate of twist on a 6.5 Remington?
- What year did you come out with the Model 870?
- I want to order a Law Enforcement catalog. I am a police officer but I want you to send it to my house. If I find a gun I want, can I order it directly from you? What is the shortest length barrel I can legally have?
- My gun was stolen and I need the serial number for insurance purposes. I sent in my warranty card, do you have that information?
- I am a dealer and my books are in a mess. I have about 4 guns here that I don't know where I got them. If I give you the serial numbers will you tell me who I bought the guns from? I really need this information before the ATF busts me.
- I have an idea for a new gun that you could make. If you take the 1100
- This is an emergency. I need to speak with the President. I was firing my 700 with some Federal Ammunition and it just blew up. It cut my face. What are you going to do???
- I am calling from the UK. I need to talk to someone about by youth sized stocks.
- What is the highest pressure load a Model 700 300 Ultra Mag will take?
- I want a Model 700 VES with a stainless steel barrel. Will the Custom Shop make this for me?
- I bought a gun at Sears about 40 years ago and they said you made it. Can you tell me how old it is and send me an owner's manual?
