

- Could you direct me to Engineering? I have a question about whether the barrel on an older gun will fit a new gun.

Formatted: Indent: Left: 0"

- What is the address to your NY facility? What's the phone number in case I need to talk to a gunsmith?

- I need to speak with Dennis Sanita.

- My husband died about 5 years ago. I was going through his things and found an old bayonet with Remington logo dated 1917. What is it? Is it worth anything?
