

- Finish on the 597 is Bead Blasted – Tiny glass bead use to give texture
- Bluing in controlled rust: It is a chemical process
- Receiver has a powder coating
- **Clip Cleaning** : Soapy Water
- If follower in clip is Red = Old style clip
- **NEW MAG CLIP** : Will say both 17 and 22 win mag if it will work for both calibers
- **Old Clips** – Only w/ .22
- **New Mag clips will work in old mag guns**
