Remington Introduces 20 Gauge Hevi•Shot® Choke Tube

Madison, NC – Now turkey hunters can expect optimal patterns and unmatched performance from their 20 gauge shotgun with Remington's new **20 gauge Hevi•Shot® Choke Tube**. This specially designed choke tube is suitable for use with lead, steel and Hevi•Shot loads.

Constructed from heat-treated stainless steel with a non-glare black oxide finish, the Hevi•Shot Choke Tube optimally designed by Remington's R & D facility provides exceptional durability and pattern performance. With a nominal constriction of .040 and inside diameter of .5775 inches, the Hevi•Shot Choke Tube consistently delivers super tight patterns in excess of 90% when used with Remington's Premier® Hevi•Shot Turkey loads. The tube features include knurled extension for ease of installation.

Designed to fit all 20 gauge Rem® Choke Model 870™, Model 11-87™ and Model 1100™ shotguns, the new Remington **20 gauge Hevi•Shot Choke Tube** is the "must have" accessory for turkey hunters.
