M/71010 Magnum Design Acceptance Test Plan #1**Approvals**

A meeting was held on____, 2002 to discuss the scheduled M/710 Magnum DAT #1 test. The purpose of this meeting was to define the test requirements for this Design Acceptance Test (DAT) scheduled to start in April. During this meeting the test plan was reviewed step by step to determine what additional testing might be required to adequately test the product. This document lists the tests and procedures that have been agreed to by all meeting participants. Successful completion of these tests will qualify the M/710 Magnum for Trial & Pilot evaluation.

The following people have reviewed this document and agree to this DAT #1 test protocol.
