I am going to play with them alittle tomorrow, they should be ready fo  
r shipment tomorrow afternoon. Russo should email an address.

<< File: Book1.xls >>

I added overall averages for 150 and 180 gr. bullets. Not much differ  
ence.

Jesse said that the scope was a factor in testing. Groups would be ti  
ghter with a higher quality scope with thinner cross hairs.

Mike: Anything else to do with these?

Dale: Do we know where and when to send?
