Subject: m/710 meeting

Joe/Jim,
My flight is scheduled to arrive at 9:30am tomorrow morning (1/6), I should be to the plant by 11:00. Can we meet at 11:00 to discuss the M/710 program? It is important that both of you are present to establish guidelines for this program. If I do not here back from you, I will assume we are set for 11:00am.
Thanks
