Subject: TLW1075 - EET gun ready

Scott:

I have the first gun ready for this test - sn# 71026291 .270 cal. The gun is in the Engineers lab. The second gun will be available today after lunch. Please feel free to start ASAP - we lost a weeks work last week when I was at Ilion -so to the extent you can expedite...please do.

thanks,
Brad
