Matt, I am returning to you the 10 sighted M/710 rifles, these guns were fired no more than 5 times for our POI testing. They shipped yesterday. RGA # below.  
Also I had asked a while back what we should do with the 9 sighted drop test guns with the bent barrels. Dale requested that they be destroyed here.

Cindy, I need an RGA number for my reference number TLG0105. It is an order for 10, 7406 M/710 rifles with sights in 30.06.

Thanks,
