Test Lab Work Request Form

Date Submitted: 1/26/01	Tracking #:
Date Submitted: 1/20/01	Παcking π.
Project # : 241095	Engineer: S. Franz (for Matt Golemboski)
Test Objective: To qualify M/71	0 .30-06 caliber rifles with iron sights for POL
Test Description:	
0	used for SAAMI Jar-off, Rotation and Drop testing. using the iron sights supplied with the rifles.
	gest same 180 grain load used in previous accuracy
tests	
37 . 1.1 . 0 . 1.1 . 0	0000000 0000000 000000.
 Note position of rear sight from the s	ont to back and side to side after zeroing in. If you
•	ont to back and side to side after zeroing in. If you agree insufficient adjustment in the rear sight.
cannot get POI equal to POA	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t	note insufficient adjustment in the rear sight. in rifle is at the discretion of the shooter. Document argets and record POI relative to POA.
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t Resource Usage:	note insufficient adjustment in the rear sight.
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t Resource Usage: Manpower Requirements —	Test Results Required:
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t Resource Usage: Manpower Requirements — 2 technicians	Test Results Required:
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t Resource Usage: Manpower Requirements —	Test Results Required: Formal Report: Data Only: X
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t Resource Usage: Manpower Requirements — 2 technicians Facility Requirements— Long Range	Test Results Required: Formal Report: Data Only: X Requested Completion Date: 1/29/01
cannot get POI equal to POA Note: # rounds required to sight procedure and results. Obtain t Resource Usage: Manpower Requirements — 2 technicians Facility Requirements— Long Range Required Materials/Parts/Equip	Test Results Required: Formal Report: Data Only: X Requested Completion Date: 1/29/01
