We apologize for any inconvenience you may be experiencing. We suggest taking or sending your firearm to a Remington Authorized Repair Center or our factory for evaluation before using again.

You can locate your nearest repair center by visiting the Repair Information Center in our Support Section and selecting your model and state:

<http://www.remington.com/repairsvc/Modelselection.asp>

Following is a site regarding a recall on some Model 710. According to the serial number you supplied, your Model 710 is not included in the recall.
