

There is a cost that comes with high performance, in this case, it's a lot less than you think. The Model 700 SPS Stainless (Special Purpose Synthetic) offers everything you love about the legendary Model 700, all at an extremely affordable price.

Built to carry on the tradition of the Model 700 BDL™ Stainless Synthetic, the Model 700 SPS Stainless is leading the way for the next generation of hard-hitting, fully featured, affordable priced rifles. From the rock-solid receiver design to the famous “three rings of steel,” the Model 700 SPS Stainless offers the unrivaled out-of-the-box accuracy and high-end performance you've come to expect from America's most popular bolt-action centerfire rifle.

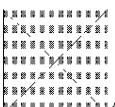

The Model 700 SPS Stainless features an improved, ergonomically designed synthetic stock for better handling and enhanced overall functionality. The bead blasted 416 stainless steel barreled action comes clean without sights and is drilled and tapped for scope mounts. For added corrosion resistance the internal fire control components are plated. Standard amenities include the revolutionary recoil-reducing R3® recoil pad, a hinged floor plate magazine, and swivel studs.

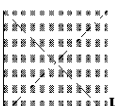

#### Model 700™ SPS™ Stainless Features

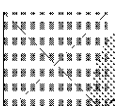

Machined steel ventilated rib with iron sights for fast target acquisition.

Action based on the popular Model Seven platform for strength and consistent shot placement.

High strength wood laminate stock boasts stylish alternating light and dark stripes, reminiscent of the legendary Model 600 Magnum.

24" Magnum Contour barrel allows for maneuverability without sacrificing ballistic performance.
