2005 Notable Topics of Discussion

- We will begin phasing in R3™ recoil pads in on many of our wood guns such as BDL Magnums, Mountain Rifles, Model Seven LS rifles, 870 Wingmaster, and 1187 Premier shotguns
- We have completely redesigned the Model 597 22LR magazine box. This new design has virtually eliminated magazine related malfunctions. The new box is 100% retrofittable to older model guns.

2005 Notable Topics of Discussion

- We have changed our process for setting trigger pull on the Model 700/Seven/673 products to insure nothing leaves the plant over 5lbs
