Dear Mr. Tabor,

Thank you for your inquiry. You can have your Pre-1982 firearm changed from a bolt lock safety to a non bolt lock safety through your local Remington Authorized Repair Center. You can contact them regarding specific costs and shipping the firearm to them. For your convenience, we have included their contact information below:

Billings Gunsmiths
1841 Grand Avenue
Billings, MT 59102
Phone: 406-256-8390

Capital Sports & Western Wear
1092 Helena Ave.
Helena, MT 59601
Phone: 406-443-2978
Fax: 406-442-8136

Greetings,

I understand from a radio advertisement that Remington was recalling, or modifying, the pre-1982 Model 700s in order for permit bolt opening with the safety in the on position. Nevertheless, I couldn't find any info on your web site on how to get the repairs or modifications accomplished.

Thanks for the help.

Tom Tabor
